Capacity Units (Gallons): \_\_\_\_\_

**Water General Instructions:**

1. Secure hose and couplers tightly to the machine and your tank. For Truck Loads, please use the bottom feeder of your tank: requires additional coupler (one to machine and one to tank).
2. Press 1 for Truck Load or 2 for Barrel Load, press enter.
3. Enter your Access # \_\_\_\_\_, press enter.
4. Enter your Pin # \_\_\_\_\_, press enter.
5. Screen will display the number of remaining gallons on your account.
6. Enter the number of gallons (less a minimum of 20 gallons than your tank's capacity), press enter.
7. Make sure your hose and couplers are secure. Press Start. There will be a 5 second delay before water dispenses.
8. Machine will automatically stop once the acquired number of gallons is displayed on the screen and dispensed.
9. Disconnect your hose.
