STAFF REPORTS

MARSHAL - Marshal Appelhanz submitted a written report. The Marshal will purchase an additional gun safe. One bid has been received for carpentry work to be done in the Marshal Department. The consensus of the Board was to proceed with the work. The Marshal noted for 2010 budget purposes that the Expedition is five years old.

PLANNER – Mr. Farrar did not feel his continued attendance to the BLM/RMP meetings was necessary. He presented information for the Board to consider for the future. Application can be made to BLM for obtaining the 40-acre BLM parcel north of Town for recreation and public purposes. A park plan would be developed as part of the application process. Access across private property would need to be obtained as the parcel is land locked. BLM could release the parcel to the Town or do a lease/purchase agreement to insure the plan is completed.

DOLA has grants available for a Town Comprehensive Plan with Energy Impact Funds. A comprehensive plan is a very useful product for future grants and projects.

PUBLIC WORKS – Director Sturm submitted a written report. Without installing storm drains near Wagon Wheel Court, heavy rain runoff will continue to flood across Spring Street. A ditch has been dug to keep the water out of the residence on Spring Street. FEMA will have to be consulted before addressing the embankment along Rodeo Road because it could change the flow speed of Plateau Creek. Computer adjustments will be made at the water treatment plant to complete the DOLA grant. The backhoe needs new brakes again. The Trustees expressed their dissatisfaction with the previous brake work paid for at Western Implement. Trustee Satterfield requested a breakdown of the DOLA grant for the source water project.

ATTORNEY- Attorney Hanlon thanked the Board for the flowers sent to his mother's funeral.

CLERK- Memos from the Clerk were included in the packet concerning the need for a substitute Town van driver, needs discussed at a Plateau Valley Recycle meeting, and parent letters acknowledging a successful Summer Recreation Program.

Trustee Maigatter moved to approve Emily Currier as substitute driver for van trips; seconded by Trustee Satterfield

**ROLL CALL: Yes – Hall, Lent, Maigatter, Satterfield, White, Wilcox
Motion Passed.**

MAYOR/TRUSTEE COMMENTS

Mayor Hall submitted a written report. Trustee Satterfield presented a letter concerning the Job Corps 45th Anniversary to be observed September 23, 2009. The Town will forward a letter of support. Representatives from Job Corps will have more information at the Board of Trustees regular September meeting.

Trustee Satterfield spoke of the Job Corps "Going Green" campaign which coincides with the Plateau Valley Recycle effort and encouraged the Town to assist with keeping recycling available for the community.

Trustee Maigatter reported on a Community Counts meeting. The Town agreed to have a link on the Community Counts website.

ADJOURNMENT

Trustee Lent moved to adjourn the meeting at 10:13 p.m.; seconded by Trustee Maigatter

**ROLL CALL: Yes – Hall, Lent, Maigatter, Satterfield, White, Wilcox
